**Summer's splendor by the sea,  
a gentle, blue serenity.**

Caressing rays of golden sun,  
blushing, bronzing all who come.

Enticed by its romantic lore,  
lovers stroll the sandy shore.

Hushing rhythm of the waves  
and salty, misty ocean sprays.

Sea birds echo call of cries  
pierce the deep blue azure skies.

Dolphins dancing on their way  
across the sea out to the bay.

A glistening, shiny, sun-soaked day.  
All young and old alike at play,

Building castles by the sea,  
jumping waves and spirits free.

No place on earth as perfect to be  
as Summer's splendor by the sea.

17 Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows.  
James 1:17

Hot! Hot! Hot! That's summer in Florida and this year is certainly no exception. But—how blessed we are to be in a land of freedom. How blessed we are to be children of our God. How blessed we are to be redeemed by the sacrificial death and resurrection of his Son Jesus Christ. How blessed we are to be led each day by the Holy Spirit! Guess I should quit complaining about the weather!

Ted and I are also surely blessed by the opportunity to serve in this place! Your kindness and caring surrounds us wherever we are! Please stop by the new "Rectory" and see the comfortable digs which have been fixed up for us. This way we aren't always daring a trip from Lakeland to Tampa on I-4!

We spent a delightful few days up at Lake Sinclair in Central Georgia with my daughter and her husband. It was a quiet and peaceful break. As a bonus, we got to see one of Ted's sisters and part of her family. It is a huge lake and their newly purchased home is on a quiet cove. I've never seen more song birds at the many feeders which are on their lawn which sweeps down to the lake. We literally spent hours just watching the birds and enjoying the water. The lake temperature was cool and I enjoyed just floating most of one afternoon! Again, how blessed we are! My prayer is that each of you are feeling blessed at this time. If there is anything I can do to help enrich your life, please just let me know!

I am busy deciding on a "series" of sermons for the fall. I'm considering a study of the Apostles Creed and just what it is we say we believe, possibly a series on prayer, or a series on "unimportant" people whom God chooses to do important things, or several other options. Please let me have your thoughts in this regard!

I believe we do not have a Tidings in August but do stay in touch! As far as I know, I will be around the rest of the summer. Again, my thanks and love for all your thoughtful kindness. My prayers are with you daily.
